1. Who can believe what I'm doing in the surrendered, the surrendered; those who surrender to who I am, who I really am, and not just their image of me. See what I have said/asked and said in asking and answered in stating my heart's desire.

2. Who can see what I am doing with those who will surrender in simple surrender, not complex? Uncomplex I do so many things/concepts/precepts that have been twisted/perpetuated by the unfortunate-not but those who now unfortunate are to be in places they find themselves compromising the message they sought to seek and disseminate in truth, finding much untruth in it. Amen not. Sad, tragic, but not fatal unless surrendered to it, untruth.

3. See what I am saying and listen to me-not, not; but yea my hearts desire of/in truth of truth that now scalpels and division causes/brings (1). See me in the midst of me (2). See me in the core of me. See me causing division/chaos not but bringing about truth that does drive ones not to distraction but decision-time, decision time, ***decisions anew that must be made, required***, and no one can stand in their stead.

4. Every man makes his own decision. Every woman makes her own decision. Every child makes their own decision. And who is this decision about? Me, and what I'm doing, and who I am, and who they are, and whether or not they will surrender into me and the new things I am doing, revealing, yea revealing all.

5. And who is me? Them? Them. They are my body, my blood, my being, and I reside where? Zion. And where is Zion? The redeemed? Or the surrendered? The surrendered. See what I have said/stated and declaratively declare not over the heads of everyone but surrendered ones do. Amen.

6. Who can see the surrenderers coming forth in leadership, leadership, leadership in/of all the things I am doing? And what am I not doing? Not making

things new. What am I doing? Making all things new. Yea and amen and yes and excited I am for the greatest surrenderers ever witnessed/seen now experience the/my truth in ways/worlds unknown/unlimited and *see the leadership revolution of one*. I love you.

7. And no one tells my surrendered they can't surrender, for who can limit/know/restrain a man's heart, a woman's heart, a child's heart that has decided to see/enter the kingdom of one, the kingdom of heaven, kingdom of God, our father; our father being. I love you and all crumbles not of me. Cataclysmic is and see the hand of my father in all. Thank you.

8. You loving my body so much more and more and more and giving your life a ransom for many, you have, you do, you live, you model, you eternally am/are.

9. I love you all, explorers in my kingdom forever and amen. Amen not, yea there is no end to my/your kingdom surrendered into. It is yours/mine and who are we? One.

10. I love you all. I love you all. I love you each and every one and those you think are not-me/past-me/rejected of me/rejecting me, I love still and I love every single one. I love my body/creation and I reject not my word/being. My hand is outstretched still. I have not relented and that is not in my vocabulary of thinking/being. I am one. My word stands. I am my word/voice, one.

11. I give you everything for you forsaken everything have and upon my cross am/are and seeing me, became me/my word made flesh and everything now comes open and accessed by all surrendered. Passage granted and entered and passaging in surrender. I love you.

12. You, London comes. London is. Escapes my wrath not, escapes my love not, knowing both in surrender not but love covers all, and now my escapement not known as in thinking past, but yea in surrender the passage that takes/receives/shows life and love now comes and presents and

decisions are forthcoming to/in surrender to one so simple. I love you all.

13. That my temple is one, you replete.
Complete the raising of my head.
I give you all; technology yours, your'n.

14. The earth's stage is set.
You front-center my people of surrender.
You lift, elevate, front-center leadership of me.
Thank you lifter of my head/people; surrenderers to/in my love.

15. I love my body. I love you each and every single one; in every state, circumstance, covering, uncovered I love you. See me. See me. See me in you, my body. See me in your mirror. See me in your circumstances, state, and uncovering all so all will see/know all and all make/decide now as to their fate not, but their father's love/being.
I love you all.
Amen.
See.
Be.
You are I Am.
Thank you.

More later, please.
Amen.

Footnotes:
1. Mat 10:34-37 Think not that I am come to send peace on earth: I came not to send peace, but a sword. For I am come to set a man at variance against his father, and the daughter against her mother, and the daughter in law against her mother in law. And a man's foes shall be they of his own household. He that loveth father or mother more than me is not worthy of me: and he that loveth son or daughter more than me is not worthy of me.
2. Isa 12:6 Cry out and shout, thou inhabitant of Zion: for great is the Holy One of Israel in the midst of thee.
